

difficult to find and can run over \$100/month.

With some two thousand Americans being in Laos, most of which are living and working in the city of Vientiane, there is a possibility that other living arrangements can be made. I am sure that there are also wealthy Chinese and Lao families that would give you a place to stay in return for teaching their children English.

If there are other questions that I can answer for you, please feel free to write. I will try to help where and when I can.

Sincerely yours,
