

EDU Staff Meeting
Monday, November 6, 1972

Present: Everybody!
with Allen Dean and Jim Chamberlain

1. A useful discussion was held regarding (1) the preparation of educational materials related to narcotics and (2) the possible expansion of educational programs in the Houei Sai area. A similar discussion related to population education and family planning will be held at the next staff meeting.

Action required:

Colman to work with MoE on preparing proposal for 2-year ENI in Houei Sai area

Green to call meeting, after next week, to discuss curriculum and materials for narcotics and population education - who will do the work and should we ask for extra help.

2. Joe Budy is now asking for pictures for Fa Ngum and ENI Schools for USIS exhibit at That Luang (which opens Thursday).

3. Green, Colman, Liston, Butler, Rantala, and Bounthavy will go to Savannakhet Thursday for final inspection of Fa Ngum School.

Costantino to LP, Tuesday - Friday, with new CE assistant, Mr. Phonekeo.

Butler and Allen to Phone Hong Wednesday.

4. Mr. Harper, from RECSAM, arrives in Vientiane 11/6. He will be here several days, helping to plan the elementary science curriculum revision.

5. Mr. Le Xuan is now officially UNDP team chief of party ("CTA").

6. About half of the Fa Ngum books have been moved to Dong Dok. Butler to see about using students to help with the work.
