

To: The Board of Directors

From: The Faculty of LAA

Subject: Salaries

Dear Sirs:

Due to the constant devaluation of the Laotian kip, we, the undersigned faculty members of LAA, request the Board of Directors to consider an increase in salaries that would be in keeping with the rising cost of living in Vientiane.

It is furthermore requested that this increase take effect on or before the start of our next term in February.

Thank you in advance for your consideration of this matter.

Sincerely yours,
