

Khamsing = Threat to use American Teachers
if 100 did not give him an
English Teacher

Entrance Exams - Bribes were offered & threats made in
order to get children admitted.

- Teachers would not correct obvious mistakes made by administration personnel on student grades. Often used foreign teachers for the ~~interview~~ go-between so they would not lose face.
- Customs officials, policemen - accepting bribes or goods rather than give tickets -
~~and~~ One customs official received 12 cases of beer from Chinese merchants
- School officials taking produce raised in school gardens by students for own use.

- all official vehicles are used for personal use - includes army vehicles.

- Relatives & high officials always taken care of - goods, money, jobs etc.

- USAID pens sold on local market - various types of black market activity.

- IOs are asked by school officials, counterparts, assistants & friends to purchase goods through the PX.

- Military payrolls - failed to take off names of soldiers lost in battle.

- Moved brass & opium with military aircraft.

- Use of Army weapons - ~~ammunition~~ ammo for hunting birds etc.

- Knocking heads of shells to either get powder - slitting
guns or to sell
