LAO-AMERICAN ASSOCIATION

VIENTIANE, LAOS

February 1, 1971

Mr. Larry woodson  
USAID/EDU

Dear Mr. woodson:

The Committee on Elections has informed me that you have been elected to the new Board of Directors of the Lao-American Association. I am happy to be the first to congratulate you and to welcome you again to the service of the Association. At the same time I take the opportunity to thank you for your service on the 1970 Board.

The new Board members will be presented to H. H. the Prime Minister and to the American Ambassador at the Association's Annual Meeting of the General Membership at LAA at 3:30 p.m. this Saturday, February 6. We look forward to having you with us.

The new Board will have its first meeting at the American Community Association, Na Hai Diao USAID compound, at 12:15 p.m. on Tuesday, February 9, for the primary purpose of electing its officers. It was the recommendation of the present Board, incorporated into the Policy Statements of the Board of Directors, that the presidency should change each year between American and Lao members. Therefore you will want to consider your American colleagues on the Board as primary candidates for president.

I look forward to seeing you Saturday.

Sincerely,

  
Issara K. Sasorith  
President
