

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Mr. Norman W. Green, Chief/EDU

DATE: 17 Feb 71

FROM : Earl J. Young, AC/VTE

SUBJECT: Recognition of Contribution to Vientiane Plain Refugee Program

The Director has asked me to provide him with the names of those USAID employees who have made such an outstanding contribution to the success of the refugee relocation program on the Vientiane Plain and in Paksane.

I was pleased to suggest to him the name of Mr. Larry D. Woodson. I recommended, with your clearance, that Mr. Woodson receive a letter of commendation for his work with refugees.

This proposal has been approved by Mr. Chandler, and he has asked me to coordinate the preparation of the necessary documents.

Will you please have a suitable letter prepared for the individual for Mr. Mann's signature. Since he plans a Mission-wide ceremony, I would anticipate they should be completed before February 25th.

Dist:

Mr. Chandler
