

JANUARY 26, 1970

Dear Larry,

hi! I got your name from the American Legion Auxiliary here in Phoenix.

To start off with I guess I should tell you something about myself. I'm 16 years old, have green eyes, and light brown hair. I stand 5'7" tall and weigh about 115 pounds. I'm a junior at Moon Valley High School. My hobbies are horseback riding, writing letters, painting and sewing.

The weather out here is really great. It's getting warmer every day.

Well, I'd better go. Take care of yourself and please write back if you have time. Bye for now

Love
Beth
