Dear Larry,

I am a student at Greenway School.
 I'm five feet four and a quarter. I'm 12 years old. I'll be 13 on June 16. When is your birthday? How tall are you? How old are you? I hope these questions aren't too personal. If they are, don't answer them ok. Do you mind if I ask you these questions? I was born in Phoenix, Arizona. Where were you born? My home is in Phoenix. Where is your home? I hope you get back home, wherever that is, soon.

Do they feed you good food over there? I bet you sure would like a good home cooked meal.

Do you like horses? I do. We, that is my family, have five horses. One of them is my own. Her name is Taffy. We use to have a bull but we

butchered it not to long ago. Our
mare had a colt last March.
His name is Comanche. He is about
10 months old.

Well, I have to go now, so I
hope you have time to write back
and answer my questions.

Lots of luck,

Verita Zumstein

P.S. I really do hope you get to go
home soon. And get home safe.

Good Luck
