Dear Larry:

Thanks for the mailing list, on which I rediscovered some persons I had lost and up-dated several addresses.

✓ I have some corrections for you, one or two of which, as I will indicate, I'm not entirely certain of, and your information may be later than mine:

✓ David Bernal, [REDACTED]

✓ Joan Bernal, [REDACTED]

✓ (From now on, it is Mrs. Hartwell - or Grace - Blake, since Hartwell's death last year.)

✓ Stephen Chase (Lisa Manley's husband) resigned from the Navy, and Lou Connick tells me that both he and Lisa joined the Peace Corps and are assigned to Gabon. I have no address.

✓ (Chubbuck: Putnam CY should of course be CT.)

(Your "Keur Cornelis" is as you know the same as Casey Keur - listed twice.)

✓ Richard Ganski, [REDACTED] (I am responsible for giving you "Cort" street originally, my attempt to decypher handwriting. The Francos put me straight.)

✓ (You should drop "Jo Howland" because you also have her listed correctly as Jo Gabeler, the name she resumed after divorcing Bill Howland.)

✓ Charles Ingold, [REDACTED]

✓ (Those constantly-changing Florida Zip codes give me a pain in the neck. I have Kepler at same address, but with Zip [REDACTED] I'm sure one of us is right. I have heard from him, which means he gets my letters.)

Stephen Liapis, [REDACTED]

✓ Luke Malabad, [REDACTED]

✓ (Another one of those Florida Zips: I have Charles Mann at - same address - [REDACTED] and I checked this; it is a new change and correct.)

✓ (You may be right on Don Mitchell - but I have the [REDACTED].) OK

✓ (Since Bob died you may wish to carry her name as either Mrs. C. Robert Osborne or Ciare Osborne.)

✓ Sam Ostertag (November thru April): [REDACTED] [REDACTED] [REDACTED]. (May-Oct in Port Ludlow)

✓ Val Peterson, [REDACTED] (He's been trying to line up an overseas job and may have done so by now.)

✓ Ron Pulcini, [REDACTED] ("Columbia Falls" is about 3 years out-dated.)

✓ (Molly Ramsey told me, please - not Mollie.)

✓ Gene Robello died about four years ago. I don't know if Keo still lives at the old address but I daresay she is not much interested in Khao Lao.

✓ (Holger Schweizer, not Hoger.)

The Gordon Smiths left Colombia five or six years ago and were undecided where they would settle. Address at that time was [REDACTED]. I believe the McAlpines have kept in touch if you want to follow up, but you are wasting money on foreign postage.

Monty Stearns retired from Foreign Service about four years ago and the last I heard was teaching at Simmons College School of Foreign Affairs in Boston.

I've heard several more favorable comments on and appreciations of Khao Lao Topeka. I usually suggest that they send money. We had a real Lao gab fest yesterday - Ken and Margaret Ross are our house guests and we invited Ted and Lil Croasdell down from Carlsbad. Great fun reminiscing.

I'm recovering from 7 weeks of radiation treatments (prostate) and plagued with diarrhea - they really torture your lower gut with those X-rays - but I'm assured that will soon go away. Except for that I feel fine, and we're going to challenge Las Vegas again in late March. We never learn, we just keep trying. Best regards,
