Dear Folks,

First of all, I want to belatedly wish Dad a Happy Birthday - one day late + mailing. Maybe I should go ahead + wish Steve a Happy Birthday and figure that this letter will get there just before his.

I have been running around day + night for the last few weeks. Following the annual IUS Meeting + all the meetings, receptions + etc that followed that, I have been involved in refereeing basketball, playing tennis + basketball, as well as teaching tennis. For the fun of it I have also started Tagalog - language used in the Philippines.

I am still active in the  
Toastmaster club also which  
meets 2/month. Recently I  
joined the Lao American Association  
and would like to get involved in  
a couple of other organizations.  
Will close for now & get  
back to work - P.S Thanks  
for the studs & cuffs/links. P.P.S.

Won 3<sup>rd</sup> in Singles (Tennis) + 2<sup>nd</sup> in  
doubles. Love  
Joey
