Au fond le Weisshorn et le Schallihorn,
le Zinal Rothorn, le Besso et l'Obergabelhorn

8/25/68

Dear Aunt Louise,

How are you? I am presently attending a conference here in Switzerland. When I first arrived it rained almost every day. Now we are having nice weather. Have been able to see most of the country. It is beautiful + the people are friendly. I will be here for 2 more weeks then back to S.E. Asia. Even in summer still have to wear a sweater in the mornings + evenings. Please say hello to everybody.
