

Folks

I am happy to announce that my wartime memoirs have finally been published in both paperback and Kindle editions. If you are interested in receiving a copy, there are a number of ways to do this:

1. Purchase the Kindle edition from Amazon.com for \$7.99. Most of the photos inside are in full color and the text has been translated into several languages. This is especially useful for our friends in Germany, Spain and Italy. Shipping and handling costs may apply.
2. Purchase a paperback from Amazon.com which normally sells for \$19.99 but has been reduced to \$17.99. All the photos are in black and white. I may try to load a color version of the paperback in the future but it will increase the cost. Shipping and handling cost may apply.
3. Order from me directly. I have ordered a box of books that will be here January 8. I will sell them for \$15 and ship them by media rate to U.S. addresses. Advantages are:
 - a. I will autograph the books unless you ask me not to do so;
 - b. I will personalize the books if you wish;
 - c. I can only deal in checks since I have no way to process credit cards;
 - d. This could be a bit slower, especially if I have to replenish the stock of books;
 - e. Shipping and handling costs are included so you save \$5 - \$7 or so.

Let me know if you are interested and I will start sending books out as soon as they arrive. Please feel free to spread the word.
