[Excerpt] At this moment another session of the Paris talks on Vietnam is taking place. The North Vietnamese and PRGRSV delegates are expected to discuss the agreement which the North Vietnamese radio announced this morning. It is believed that the North Vietnamese will accuse the Americans of sabotaging these agreements.

Mme Nguyen Thi Binh, PRGRSV representative, stated on her arrival for the meeting that the agreements on restoring peace in Vietnam had been signed, and it was now up to the American side to show proof of its good will and honor the concluded agreements at the agreed date.
