SUBJ: Declaration by the VC Provisional Revolutionary Government on the Draft Peace Agreement. (U)

12-1215-72

~~(S)~~ (6 pages, printed: P-22) Declaration, made on 28 Oct 72 by the ~~(S)~~ Provisional Revolutionary Government of the Republic of South Vietnam (~~(S)~~), states that, after four years of continuous negotiations in Paris, a peace agreement for the SVN war has been drafted by the Democratic Republic of Vietnam and the US, according to which both sides agree that there would be two governments (~~(S)~~) and two armies (~~(S)~~) in SVN after 31 Oct 72 when the agreement is officially signed. Recently, the US claimed that it could not sign the agreement as scheduled because of objections by the Saigon Government (~~(S)~~). Therefore, the ~~(S)~~ PRG earnestly appeals to all peace-loving people in the world and the American people to urge the US to sign the agreement on 31 Oct 72. Only by so doing can the US bring the war to an honorable end, take back all its PWs currently held by the friendly ~~(S)~~ side, and create a new era in which ~~(S)~~ diplomatic relations between the US and VN (~~(S)~~) will be established. The ~~(S)~~ PRG further calls for the people and ~~(S)~~ combatants in SVN to continue the fighting as long as the US refuses to sign the agreement, and until the total defeat of the US Vietnamization plan and Nixon doctrine on Indochina.
