RVN SPOKESMAN REPORTS NO RESULTS AT 18 JUN JMC SESSIONS

Saigon VIETNAM PRESS in English 19 Jun 74 Morning Edition S

[Text] Saigon, (VP) June 18--With its inherent stubbornness, the communist side terminated Tuesday's meeting of the chief delegates of the Two-Party Joint Military Commission sooner than scheduled.

The 90-minute session closed at 11:30 a.m. at the NLF delegate's request. No details about this session were announced by the military spokesman.

Meanwhile, according to the spokesman, in the meeting of the Four-Party joint military team, communist North Vietnam and the so-called NLF still insistently demanded the discussion of immunities and privileges instead of the search for the missing.

Consequently, the meeting concluded earlier and did not gain any concrete result.
