

TUYEN DUC - DALAT INFORMATION-CULTURAL SERVICE MEETS

Hanoi in Vietnamese to Vietnam 0900 GMT 28 May 75 BK

[Text] According to LPA, on 8 May the information and cultural service of Tuyen Duc Province and Dalat City held a conference at the headquarters of the Dalat Military Management Committee to review its work since the liberation of the province.

After hearing reports on the municipal wards and suburban districts, the conferees laid down specific directions for the future. By using various methods in the fields of information and culture, the service will motivate the masses to defend and build the revolutionary administration, rely on them to discover and check the enemy's distorted allegations and develop all their capabilities to maintain public order and security and shape a new life.
