

SCIENCE, EDUCATION CADRES CLASS ON VCP RESOLUTION ENDS

Hanoi Domestic Service in Vietnamese 2300 GMT 20 Apr 77 BK

[Text] The class organized for more than 2,000 cadres in the scientific and educational fields to study the fourth party congress resolution has concluded. Before the class ended, the participants had enthusiastically welcomed VCP General Secretary Le Duan who cordially addressed them.

At the concluding ceremony Comrade Tran Quang Huy, member of the party Central Committee and vice chairman of the Central Committee Department of Science and Education, highly evaluated the results of the class. He said: Through this class you brothers and sisters have comprehensively and systematically grasped all the major matters of the party congress resolution, from experiences in the past revolution to the revolutionary lines in the new stage; and from the general lines on socialist revolution and socialist economic construction, the guidelines and tasks of the 5-year plan, and the lines, guidelines and policies of building a new culture and new socialist men, to all matters concerning state affairs and the tasks of motivating the masses and building the party in the new stage. You have therefore acquired a firm basis on which to study and satisfactorily implement the party congress resolution in each unit, locality and branch.

As regards the tasks ahead, after suggesting some tasks to be immediately performed to make all branches of the science and education sector thoroughly understand the party congress resolution, Comrade Tran Quang Huy recommended that the cadres act together, since only through revolutionary acts can we gradually solve all difficulties, develop advantages and make the party congress resolution a reality. He stressed that revolutionary tasks should be carried out by a revolutionary movement--the fourth party congress resolution--and expressed hope that all branches and localities will strive to launch and satisfactorily guide the mass movement to perform revolutionary acts in each area, especially in primary units, so as to insure successful implementation of the party congress resolution.
