CHARACTERISTICS OF REVOLUTIONARY WAR (Le Duan May 15, 1975) (Hanoi VNA)

The Party's correct and creative revolutionary
Application of rev. mil science of ML to realities of country;
war line and methods

Organizing millions to rush to battle.

1. Total mobilization of people. A

2. Combining our nation's strength with that of 030210

the era, that is ~~combining our strength~~ and the strength existing
internationally.

① Utilizing two banners: national independence
and socialism.

② Constant offensives and ~~offensive~~ aggressive mentality
(vs. passive)

③ Developing a technique for defeating the enemy
step by step; forcing him to de-estate one rung at a time, until
final coup d'grace can be delivered.

④ Combining military action with political struggle,
armed forces attacks with mass uprisings as a means of seizing
control and wiping out the enemy.
