Mike,

It was a pleasure to talk to you the other day. I really appreciate the packet of material you sent. I'm sorry that I'm only sending you the latest mailing list of the Trackers I have contacted.

It's Sunday and I won't be able to get to a copy machine until later this week. I also have to sort through everything to make sure I have some pertinent data you can use.

If you look at the mailing list, it has the addresses of three of the trackers mentioned in the AAR from the first Cav. Ed Dion, Vic. Soland and Bob Torelli.

I'm also trying to get my computer going so maybe, next time you won't have to read my handwriting. I'll follow up on everything including copies of orders and news articles in the near future. Until then,

John Dupla
