SENTRY/SCOUT DOGS

1. Sentry Dogs.

1. During the reporting period four (4) sentry dog teams were used on roving security patrols on an experimental basis. The roving patrol is opposed to the usual permanent sentry dog post. With a roving security patrol a sentry dog team can cover a larger area and therefore sentry dogs can support more units without increasing the number of sentry dogs in the country.

2. Employment of Sentry Dogs.

- a. Number of dogs deployed - 41
- b. Number of Commitments filled - 9
- c. Using Units.

- (1) Base Defense, DaNang
- (2) MAG-12
- (3) MAG-13
- (4) MAG-36
- (5) 1st LAAM Bn.
- (6) 2nd LAAM Bn.
- (7) Post Exchange
- (8) Commanding General's qtrs
- (9) FLSG-A (Red Beach)

3. Scout Dogs. During the month all dogs of the 1st Scout Dog Platoon received complete physicals.

4. There were ~~one~~ ^{two (2)} scout dog handlers wounded in action during the reporting period.
