Dear Mike:

Enclosed please find the documents I spoke of this morning when you called. Specimen 1 is a wallet card issued at Ft. Benning during Scout Dog School training. I'm sure Jesse can fill in the details. Specimen 2 was issued in Vietnam around the same time. I theorize that these documents were created because dog teams were being deployed improperly by company commanders in the field.

These specimens are courtesy of James T. Frantz of the original 37th that came to RVN in 1969 assigned to the 82nd Abn.

Good luck in your research. If you need more assistance, please do not hesitate to contact me.

Sincerely,

James D. Black
