NOTE: This was enclosed with a tape recording of the New Year's celebration at MINH QUY Hospital and is being used to alert you that given time/patience/postage you will receive same. In another tape to his family Bill reported all well (busy + relatively quiet) on the hospital and home front. With our best wishes and appreciation of all your interest and help in re Minh Quy, the Montagnards and the Bill Rose family.
Sincerely,
Elizabeth Anne Rose 15 Feb 74
