

Melba — this afternoon's news from State Department in Washington was the most encouraging I've had yet, so I thought I would pass it on to Pat & you as well as to Mr. & Mrs. Baker. Kerry Heubeck's mother wrote a few days ago mentioning that they'd heard Kerry was staying with the International Committee of the Red Cross in Saigon, and that he'd gotten a message out via Paris saying that he was together with his wife & stepson. I hope they manage to leave, because I know Kerry's anxious to start life in a new part of the world...! A letter from Marion Brown states that Senia Simandjuntak is now back home in Indonesia — Marion herself still would like to go back to Kontum but doesn't seem too hopeful about prospects and is applying for work in New Zealand meanwhile. Phyllis writes from Laos — she too is not optimistic about returning to Kontum in the foreseeable future, and I get the general impression that the Vietnamese gov't is not putting out a welcoming mat for foreigners these days, even if they're medical & social workers brimming over with good will. Anyhow it's comforting to have the report that George Christian was in Kontum as of mid-June, and I would hope that this would include Edric too although he wasn't specifically mentioned. As for KHF's fund-raising activities in general, my own advice would still be to hang together and 'wait & see' — maybe we'll get an eyewitness report from George himself one of these days — ??

Regards,
