

of our own. We have a little boy six years old by my husband's previous marriage, and little Bobby is just longing to have a sister or brother.

We have some friends Mr. + Mrs. Perry who recently adopted a beautiful little Vietnamese girl, and we just love her. I must say our interest has been greatly reinforced through this exposure. Since our interest started in adopting a Vietnamese child we have met so many people (not only in person but by mail) who either have adopted children or are trying to now. Out of the ones trying to adopt the biggest problem ~~seems~~ to be making connections and locating children. This Mr. Smith is why I am writing to you.

I realize you are a very busy lady doing a very important job, but if you could help us just a little in locating a child we sure would appreciate it.

Our preference would be for a Vietnamese, Vietnamese/Caucasian, or a Vietnamese/Korean child, new born up to and including 3 years of age.

I am aware of a New Ruling on a adoption in Vietnam. We have been working with a group called "The Committee of 1000 which is the New Jersey branch of "Friends of Children of Viet Nam" in Colorado.

Thank you Mr. Smith for any help you may be able to provide us with.

We are anxiously awaiting your reply.

Sincerely
Mrs Robert Cithrick
