[Text] The VFF Central Committee Presidium met on 18-19 July to review its work during the 1st half of 1986 and to decide on its tasks for the last 6 months of the year. Comrade Hoang Tung, secretary of the party Central Committee, attended and addressed the meeting. The meeting decided to organize the commemoration of the 56th anniversary of the Anti-Imperialist Alliance [Hooij Phanr Dquees Dqoongf Minh] -- the VFF's predecessor (18 November 1930-18 November 1986).

The meeting affirmed: The front obtained some results in its work during the 1st 6 months of the year, especially in building and consolidating the grass-roots front organizations. The front has expanded its activities to all population centers and has taken the first steps in establishing relations between VFF committees and people's and administrative committees, as well as between the VFF and a number of sectors in carrying out various political tasks. The VFF Central Committee Presidium adopted a program of action aimed at promoting emulation activities to score achievements in honor of the Sixth National Party Congress. In the immediate future, the VFF will concentrate on the following tasks:

- Organize a political drive among the people of all strata to encourage their suggestions and criticisms aimed at building the party and make preparations for holding party congresses at various levels;
- Propose measures to promote production, practice thrift, improve the standard of living, and rectify shortcomings in distribution and circulation and
- Join the various mass organizations in launching a movement of the people to engage enthusiastically in emulation activities to fulfill the 1986 state plan, step up the transformation and perfection of socialist production relations, and implement successfully various resolutions of the party Central Committee Bureau.

The conference sent a letter to the CPV Central Committee pledging to do so, build and consolidate the bloc of national unity around the party Central Co-
