

REPUBLICAN NOMINEE FOR UNITED STATES SENATE

"My primary goal as a United States Senator will be to restore the Federal Government to its proper place in our constitutional system. The federal government should do its job -- not the job of citizens, state and local governments, or private industry. It is absolutely essential to the long term health of our country that we build a stronger republic, not a more powerful federal bureaucracy."

KEY VIEWS

- Repeal the outrageous congressional pay raise.
- Restore federal government to the limited role envisioned by our forefathers.
- Eliminate wasteful spending by "sunsetting" non-performing or useless government agencies.
- Balance the federal budget through spending cuts.
- Replace complicated 9,000 page tax code with a simplified, single-rate tax.
- End tax on capital gains, interest income, dividends and estates.
- National defense strong enough to deter all potential aggressors.
- Death penalty for drug king pins, reduced appeals for convicted criminals.
- Strongly opposed to Big Green and Proposition 130 (Timber)
- Outspoken opponent of Alan Cranston's "Desert Land Grab" bill.
- Repeal bi-lingual laws; No quotas; Cut regulation.
