Hi Gene,

Dick Arnold President of the Cacti Association. Normally, attendance is reserved for the Grunts only. However, given the circumstances of your involvement, I am going to make a command decision and say it is okay.

I have attached the Reunion Form, please fill out and send to Jim Anderson at the address listed. Gene, you will need to include twenty bucks for Membership Dues as that is what we require from Cacti. Maybe also, if you could include a small donation to the Hospitality Room fund--that would be good too.

Lets please just keep this decision between you and I okay? I will tell Jim A the situation. Rick Rykowski, the guy who commanded C 2/35 on 03/21/67 will be there and I am certain will be interested in your pics and your perspective. As will Dave Butters who was 2/35 head NCO and was on the battalion net.

Looking forward to meeting you.

Best Regards,  
Dick
