To All,

Finally, I have heard back from the Archives on the Daily Journal order. They have now raised their prices to 50 cents per page. This is double what they were charging just a few months ago. At that rate a months worth of Daily Journals will cost between \$150 and \$200. This is just too much so I have contacted one of the guys who lives close to the Archives and he is willing to go there and look into obtaining copies there. The cost of copies there is about 15 cents per page. Something we can probably live with. While this may take some time it may not take too much longer then the archives since they take about 3-4 months to get an order processed and shipped, if at all according to some.

I have you guys down as wanting/serving the following months:

Chuk Santose has 9/68 wants 10/68  
Gary Ricker served 1/66 to 1/67  
Art Johnson wants 9-10/66 and 3-6/67  
Steve Rainbolt served 3/67 to 3/68  
Don Blankin seved 8/68 to 8/69 wants 9-11/68  
Fred McNabb served 7/69 to 7/70  
Glen Jenkins wants 2/68  
Romain Voeller served 8/67 to 4/68 wants 1 and 4/68  
Pete Birrow wants 2-3-4/69  
Jim Fisher served 8/69 to 4/70  
Stan Traeb wants 5-6/69  
Al Arroyo served 7/69 to 7/70  
Richard Cazeault served 1970  
Bill Wood interested  
Gary Lee wants 3-5-6/69

For those journals that we have I would like to charge 20 cents per page to cover copying costs and mailing costs. Let me know how you feel about that please. All the money that comes in will go towards obtaining more of the daily journals and more after action reports and operation reports. If you do not see the dates listed above that you want please let me know and I will see if we can obtain them. According to the Archives, 1966 is not there, nor is 1969, but I know that Aug through Dec of 69 is there and maybe they are wrong about 66 also. We became opcon to the 4th in Jan of 67 and were transferred to the 4th 8/1/67 so maybe the records are with the 25th's stuff for 66. We will see. This is a long term project and I hope you all would like to get involved. Please let me know what you think. I am trying to get as much information on the 2/35th as possible for everyone to enjoy. Hopefully by keeping the cost down and spread out we can all learn more about our unit.
