Hat.

I guess you can see that I am not too smart when it comes to email. I was in C 2/35 4th Div from July 569 to July 6, 1970. Done lots of air assaults all the area near Meitru and Con Boda. Dumped lots of mountains some old thing ~~very~~ day after day. I'm not complaining I came home in one piece only my mind was left in Vietnam. Not enough of that. My project is to finish up a project I should have worked on for the last 6 years on my sons 100 acre farm where viet vets can come and bring their family stay in one of the cabins near the flowing streams and just take time out each vet owes it to himself. Don't get me wrong it's not a place to come party it's a getaway make sure we can have a reunion here the place I live is a small town called madisonville Tennessee, [REDACTED]
