Hi Jim,

Here is the only Army Unknown for the Coffelt Database that is from your neck of the woods. (Seattle) Very tough one .

Died on 3-13-69 from injuries suffered as non-crew in chopper crash. Died at Madigan General Hospital, Tacoma Do not know date of injury but his tour start was 4-25-67, so, unless he extended, he lived for quite awhile. Major unit was 1st Cav.

Would appreciate anything you can uncover, thanks Jim!

Dick

PS--did you ever determine how far Hill 1062 was from Polei Kleng?
