

Please take a moment to honor over 50 of our Cacti brothers killed on November 28, 1950 in Korea. We will never forget them and the sacrifice they made for our country.

I learned you can request a copy of Form DD214 online. Here is the link: [www.archives.gov/research\\_room/vetrecs](http://www.archives.gov/research_room/vetrecs) It's easy to do; you simply fill out an online form with dates/names/service number/ssn, etc., and print a signature form to sign and mail in - they need your signature under the privacy act. You can also request records for any kin - a very useful site for those doing research or perhaps filing a benefits claim. Enjoy your Turkey weekend!! Interesting seeing our old Divisions in the news - 4th in Iraq and the 25th Departing to Afghanistan - Gary - A Co 1/35 - 1967-68

My brothers, I want to wish all of you a very great Thanksgiving. I know I am fortunate to be here today and I am also fortunate have been a brother in arms with you. I have changed my e-mail address so I wanted to make sure that I made it known. May those of you that read this know that I salute you and am proud to be one with you. To those that do not know me, I served as a medic with "C" & "D" 1/35 during 1968-1969. Be well and cool brothers "DOC"

Just wanted to take a minute to wish all Cacti, everywhere a safe and joyous Thanksgiving. The holiday has meant something special to me ever since the one I celebrated with Bravo Company on an LZ on the side of a hill near the Cambodian border. Turkey, dressing, gravy and smashed potatoes served from mermite containers are something to be remembered. For those of you who were there - Welcome Home! For those of you who weren't - may you never have to be.

Hello Larry,
Saturday, 11/22, was a good day for two reasons: the temperature was a balmy 55 degrees, and I found Sheldon's grave beca help. It only took a 40 minute drive from Tyngsboro to get to the cemetery and about 10 minutes to locate the grave. As I have accustomed to do I placed our Regimental crest, said a prayer from the Regiment for Sheldon, and gave an overdue salute. I I two pix I took. Thanks for your loyalty and help.
