

MR. SUMPREE

TA PONG

TEACHER

AGE: 35

MARRIED

2 CHILDREN

Mr. Sumpree was educated at Bangkok, where he learned English. He speaks and writes it very well. He is the man to see on the hiring of guides or boats. He is familiar with the terrain and is friendly to Americans. His questions were mostly about where the men came from in the State. He was helpful in supplying us with some food. He is intelligent and appears to be influential in the village.
