MR. MUOY

TRAIN DEPOT AGENT

TA KILEN

AGE: 37

MARRIED

1 CHILD

MR. Muoy speaks fairly understandable English. He is an intelligent man and is a man who gets things done. He was helpful to us in obtaining medical assistance when we needed it. He is a quiet type who did not ask any questions of a sensitive nature. He and Mr. Imela are the men to approach on any operations in the vicinity of this village.
