

MR. IMLA

TA KILEN (NR 280 490)

BARBER

AGE: 39 MARRIED 2 CHILDREN

Mr. Imla speaks passable English which he learned at Bangkok. He is a simple individual and ~~is~~ ^{was} acting as our interpreter during our stay there. He lived at Sa Yok before moving to Ta Kilen. The entire village as a whole, were friendly towards us. He would definitely be the man to see during operations in the vicinity of this village along with the depot agent.
