Gen. Dinh Named Gov't Delegate At I Corps Confers With Danang Mayor

by *WJ* *dean N° 62/SC/HP/VB 15/ April 1966*

Prime Minister Nguyen Cao Ky yesterday signed a decree appointing Lt. Gen. Ton That Dinh I Corps Area commander to cumulate the function of Government Delegate at the I Corps Area, replacing Maj. Gen. Nguyen Van Chuan.

Lt. Gen. Ton That Dinh former Director General of the RVNAF Training Department has just been appointed commander of the I Corps Area by the Directory.

Born in 1926 in Hue, Central Vietnam, Gen. Dinh graduated

from the first class of the Vietnam Inter-Arms Military school in 1949.

Gen. Dinh attended many special training courses for ranking officers in France, USA and Japan.

Gen. Dinh has made several observation tours in Southeast Asian countries (the Philippines, and the Republic of Korea). He also participated in almost all large-scale operations in Vietnam.

Lt. Gen. Dinh was awarded the French medal of the legion

«Knight of Honor» and made Commander of National Order besides being cited 26 times for outstanding services.

Lt. Gen. Dinh paid an official visit Friday to Mayor Nguyen Van Man, a controversial figure during recent demonstrations here.

Dinh went to Man's office where the two conferred for about 15 minutes. The meeting appeared to be cordial.

Later, Man said that Dinh told him that he considered the Mayor a patriotic man who loved his country and was not a Communist.

It was announced a week ago, that Man had been dismissed as mayor and that a replacement for him had been named.

Asked if he were still mayor, Man, referring to Dinh, replied. «When a delegate from the government comes officially to visit me, it means I am mayor.»

Man said that he and Dinh also discussed how to keep order in Da Nang.
