

Office Memorandum • UNITED STATES GOVERNMENT

TO : Rufus Phillips, AD/RA

DATE: 6 Sept., 1963

FROM : T. Luche, RA prog.

SUBJECT: Information for your Washington trip.

I can't think of anything further on the subject of 100,000,000 VN\$ of U.S. owned Local Currency for contingency purposes than these two memos.

Yours presents the reason for the requirement.

John Hookins' presents the factors involved in obtaining the piastres. The last statement, underlined in ink, is a position within the Mission which can be ignored if the operational importance is paramount.
