Lieutenant Colonel George H. Marx

Omaha, Nebraska

Dear Colonel Marx:

Please forgive the delay in responding to your letter, post-marked 18 November. Rufe has gone back to the States temporarily and his absence has been deeply felt in the office. In addition, the recent events in Vietnam have complicated and increased an already heavy workload.

Enclosed are three pamphlets entitled "Cooperative Operations of Corn-Hog Program in Strategic Hamlets of the Republic of Vietnam," "Survey Report on Hog Raising Pilot Project in Phu-Yen Province," and "Swine Production and the Pig-Corn Program in Vietnam." I trust that these will be useful to you. If there is anything else that we can do, please don't hesitate to call upon us. We feel that it is quite important that the work which is being done here be understood by as many people as possible.

I am forwarding your letter and this reply to Rufe for his information. Thank you very much for your interest.

Sincerely yours,

Leonard Maynard
