**MATERIAL AT THE LBJ LIBRARY PERTAINING TO
EDWARD G. LANSDALE**

INTRODUCTION

This list includes the principal files in the Johnson Library that contain material relating to Edward G. Lansdale. It is not definitive, however, and researchers should consult with the Library's archivists about other potentially useful files. The guide includes those collections which have been opened for research in part or in whole, and those collections which are currently unprocessed or unavailable.

NATIONAL SECURITY FILE (NSF)

The National Security File was the working file of President Johnson's special assistants for national security affairs, McGeorge Bundy and Walt W. Rostow. Documents in this file originated in the offices of Bundy and Rostow and their staffs, in various executive departments and agencies, especially those having to do with foreign affairs and national defense, and in diplomatic and military posts around the world.

WHCF CONFIDENTIAL FILE

Arranged in the same subject categories as the WHCF Subject File, this file contains security classified or otherwise sensitive material. AIDES FILES

Many White House aides maintained office files of their own, separate physically from the rest of the White House Central Files. The files of each aide reflect his or her responsibilities. This list is not definitive, but it does include most pertinent folders in the aides files. An asterisk (*) indicates that a folder has been processed and is available for research. If a folder is not open for research, it will be processed upon request. Researchers should anticipate a delay in receiving this material.

APPOINTMENT FILES

The Diary Cards in the Reading Room provide an alphabetically arranged name index to the President's appointments. Once the date of an appointment has been determined, check the "Diaries and Logs" finding aid for the number of the appropriate boxes in both the Daily Diary and the President's Appointment File [Diary Backup].

The two cards for Lansdale are from meetings he attended. The Diary and Diary Backup contain no additional information on Lansdale, but do give background on the meetings.
2/7/66 (Honolulu Conference)
5/10/66 (NSC Meeting)

The Daily Diary is a log sheet of appointments and phone calls maintained by the White House secretaries.

The Diary Backup contains preparation material, press releases, and schedules for meetings and appointments, as well as some reports and notes from the meetings.
