

OFFICE OF THE VICE PRESIDENT

WASHINGTON

May 15, 1968

Dear Rufe:

Thanks for volunteering. You are accepted, and gladly.

We have a space problem, but we shall try to work it out so that you have a place to sit when at the Executive Offices Building. And, Barbara would also be most welcome. Ted Van Dyk will call and work out the details.

All best wishes.

Sincerely,

William Connell
Executive Assistant
