

MEMORANDUM

OFFICE OF THE VICE PRESIDENT  
WASHINGTON

April 18, 1968

TO: Rufus Phillips  
FROM: William Connell

Regarding your memorandum about Sam Karrick, there is no prospect of a formal transfer, Rufe. But you can tell Sam to feel that he has now an informal assignment to keep us posted and to send in his best thinking.

I will see to it that the Vice President sees some or all of it.
