Chair Comments on Pacification what I started with them

- 1) Encourage personal initiative within certain guidelines
- 2) Decentralization of authority, esp. to Province
- 3) Reestablish joint committee
- 4) Make prov. chief the pacification representative
- 5) Mission ^{of GVN} is get close to people. Only way to do this is eliminate hierarchy
- 6) People in province need to village-dist. pro-central GVN. This ~~would~~ means central GVN almost ~~quit~~ away

- 8) Create better control (build up secretariat)
- 9) Use US & prov. council as advisory
