

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting of Mr. Chadbourn's Ad Hoc Committee

BY: R.C. Phillips

---

1. Decision at the meeting was to draft a paper for the Mission Council recommending that team coordinator set up existing in the two provinces (Buih Thuan and Dinh Tuong) be retained and that consideration be given to expanding it to two other provinces for further experimentation and possibly to any "pilot" provinces which the GVN might select as part of its new rural construction program. Also existing teams of reference for "Team Chief" will be amended to reflect recently adopted title of "Team Coordinator."

2. Recommendation: That Dan be designated as group representative to this ad hoc committee.
