Dear Ed,

Saw the VP briefly at the
Marcos reception last Thursday.
He was full of compliments for
you and the Team on the elections.

Bill C. advises me that
the VP will be out of town
until after 3 Nov. but will
be here and wants to talk to
LBJ about Vietnam sometime
between 3 and 17 Nov. He wants
me to write a briefing paper for
the VP to take up with LBJ.

Bill V. advises me that
a tentative trip is ~~being~~ being
planned for Homer, Mc Namara
to Saigon around the first
week of Oct. He plans to go
along for a look at the
political side. Also advises
me that a letter went out
from Rostow to HCL on the
elections and the use of SLO,
and suggesting SLO follow-up
with the Constituent Assembly.

Also saw ~~the~~ Len Unger
who was friendly - we discussed
generalities only. Bundy has been
tied up but I hope to see
him next week.

Best regards to everybody —
R.
