Re: RFP No. 012867

Gentlemen:

We are grateful for the proposal which you submitted for ~~undertaking the medical supply management and operations specified~~ in our RFP No. 012867. Your proposal, along with those received from other firms, has been studied by our Contractor Selection Panel. As a result of that study, we have decided to open negotiations with another firm. In the event these negotiations are not fruitful, we shall turn to the next firm on the list established by our Selection Panel.

Thank you for your interest in this project and your cooperation in our foreign assistance program.

Sincerely yours,

S/
