18	2200		Situation Green.	B	
19	2230		From Garry Owen, Subject; Indiscriminate firing of weapons: In view of approaching TET, commanders at each level must re-examine all aspects of all firing discipline. The key to success in this very critical area is active supervision by all officers and NCOs. Every soldier and leaders at squad and platoon level must be thoroughly indoctrinated with the reasoning behind the control of munition with particular attention on TET holiday 05 to 10 Feb all steps deemed necessary to achieve total compliance with these instructions will be taken. to include a daily inventory of flares, grenades ammo and explosives by a responsible individual. It's imperative that we recognize that this

			is the first TET period that most of our sold-		
			iers have experienced however if proper in-		
			doctrination classes are given and jr leaders		
			are instructed in the potential hazards to		
			safety of troops incidents of indiscriminate		
			firing can be precluded. Indiscriminate fir-		
			ing of weapons is a direct reflection upon		
			status of discipline and leadership;		
			Subject; Enemy activity for TET 70: Current		
			intelligence indicates that the enemy will		
			increase level of activity in near future.		
			Increase will probably take forms of attacks		
			by fire and sappers on FSBs, NDPs and allied		
			base camps. Because of current disposition of enemy		
			units it isn't considered probable that the		
			enemy will attempt multi battalion attacks		
			against densely populated areas of III Corps		
			during TET 70. These area the enemy may increase		
			acts of sabotage and terrorists acts. Accord-		
			ingly it is essential that all commanders		
			assure high state of vigilance be maintained		
			of troops under commanders. Particular attention		
			to security soft installations, bridges,
