Hi Doug:

The following is a list of names to go with the numbers I have inserted on the Life Magazine photo of those guys that I can remember. The photo is not real clear and neither is my memory! "?" means I think that is who they are and two names is obvious that I am not sure.

I recognize a lot of faces, but cannot put a name with them.

1. Gary Lynn
2. SGT. Juan Cruz
3. Dave Buchanan?
4. Stanley Cone or Tony Tedeschi?
5. Tony Tedeschi or Bill Myers?
6. Juan Cerda
7. Vic Titus
8. William Willis
9. Wilbert Harris
10. Lt. Conetta
11. Lt. St. John
12. Chester Sey
13. Lt. Jim Mullen?

Also enclosed are the photos I promised you which primarily are of people in the unit. See the backs for notes. Thought about the typewritten notes too late!!
