

On March 18, 1970 Norodom Samdech Sihanouk was deposed by a coup d'etat, organized by Lon Nol and Sirik Matak with the active support of the CIA. Since then, under the leadership of the National United Front of Kampuchea (FUNK), the Cambodian People's Armed Forces of National Liberation have liberated nearly 90% of Cambodian territory, and the Royal Government of National Union of Cambodia (GRUNC) has been recognized by more than 30 countries.
