VIETNAMESE IN THAILAND SUPPORT THE RVN CAUSE 5/69

Saigon, May 26--Foreign Minister Tran Chanh Thanh while attending the SEATO conference and the Seven Nations' Ministerial Meeting in Bangkok last week received a resolution from Vietnamese nationals in Thailand, expressing their unanimous support to the RVN President's six-point peace plan for the settlement of the Viet-Nam war, a spokesman of the Foreign Affairs Ministry reported today.

The resolution also acclaimed the RVN Government's efforts on the diplomatic field, aiming at improving diplomatic relations with other countries, thus helping to foil the Reds' distortions of truth and propaganda, the same sources said.
