Other data: Do you have any good pictures (especially of RH members), any journals, notes, diaries, letters, briefing notes, maps, etc., that I could copy? If so, DO NOT SEND THEM with this form. Repeat...DO NOT SEND THEM!!!! Describe the items on a separate piece of paper, with your name and form number on it. I will write and give you instructions on when to send them, or how to get them copied, at a later date. All materials will be protected and returned to you!!! Thank you for your help and time.

Please return this form and the narrative sheets in the enclosed envelope to Texas A&M.

Mr Cecil

Will try and answer some of your questions.  
I have one Deception.

and we lost your planes to crew while I was  
with the Ranch Hand.

I was Ship from Tinker AFB okla city  
to Birm. on a short notice with was  
17 Day. I got on the base there and was  
again to the Ranch Hand. We took  
Rocket fire from 2 to 3 times a week  
every day.

I was told that the chemicals wouldn't  
burn any and if you could handle it.  
I was in charge of getting the  
storage tank full and the pump  
that was used to load the tank  
and the one that was used to  
suck the chem. out of the  
Barrel. I have been wet from my  
head to my toes. The tank would  
get mess up on stage and some times  
it was a mess to get them clean  
out again work 6 days week 12 hr.

a day or more. I think the Saddest  
was when we lost the 2 Crew.

The plane took hit almost  
every time they went on mission

I don't think any of it was fun or funny  
I think the hole thing was a waste of  
(leaves) With no pupans, I have a tape  
that I may, I used a tape Deck  
to send tape home one time while  
I was make a tape we took Rocket  
fire, you can make to much out  
of it that but it will still make  
the skin crawl. Sin I hope you can  
Read this I don't write or spell real  
good I hope I have help a little bit

Good luck to you Sin,

Wayne D. Hyman
