### Narrative Information

On a separate sheet(s) of paper, please answer the following questions with as much detail as possible. Write too much, rather than too little. Use names and dates, if possible. If you want a name "blacked out" before this goes in the archives, just circle the name. 7. Special missions/operations participated in? (name, when, where, what, who else)

18. Same as question 17, but you saw it happen to another person(s).
19. What were your quarters like? Your routine day? Your parties? Anything else?
20. We know that the Ranch was unique. What should I tell the reader that will help him understand why this was a special outfit of special people? What or who should I not talk about?

Other data: Do you have any good pictures (especially of RH members), any journals, notes, diaries, letters, briefing notes, maps, etc., that I could copy? If so, DO NOT SEND THEM with this form. Repeat...DO NOT SEND THEM!!!! Describe the items on a separate piece of paper, with your name and form number on it. I will write and give you instructions on when to send them, or how to get them copied, at a later date. All materials will be protected and returned to you!!! Thank you for your help and time.

Please return this form and the narrative sheets in the enclosed envelope to Texas A&M.

- 9(A) - Rocket attack on DaNang. Nearby Field Maintenance Barracks hit. Rocket went through roof and second floor killing two airmen, not Ranch Hands. Just lucky that the rest were working nights on that occasion.
- (B) - At DaNang when the Marine fuel storage tanks were hit.
- (C) - Numerous occasions when Bien Hoa was hit by rockets. On one occasion I had the night duty patrol of Ranch Hand area and around midnight a rocket attack commenced. It lasted about 20 minutes. The Ranch Hand area was spared. Other areas were hit and one airman was killed, not Ranch Hand.
- 12 - Replaced a few fuel tanks from battle damage. Also repaired chemical tanks on aircraft from damage. Had one aircraft at Bien Hoa that we had to remove entire tail section, vertical and horizontal stabilizers to repair battle damage to spars.
- 14 - Just assigned by orders. Nothing
- 15 - Nothing. Nothing. Nothing.

Sorry, can't remember dates or time.
